便捷分享通知

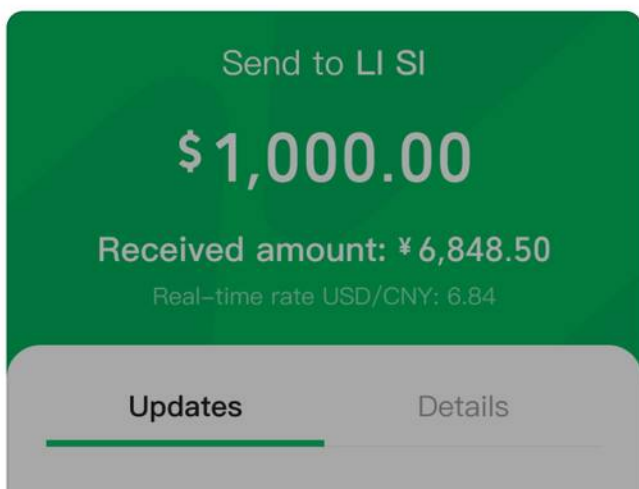

Conveniently Share Notification

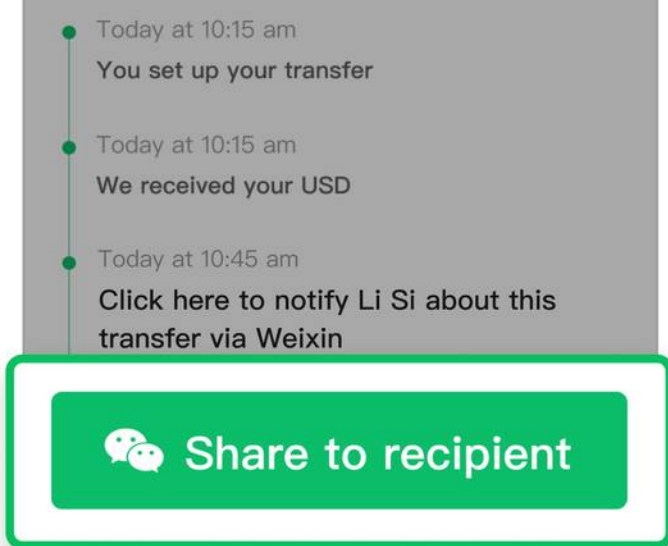

01 点击分享链接

Click the Share Link

汇款人点击汇款APP内的分享按钮，跳转至浏览器后，点击「打开微信」，进入“跨境汇款-微汇款”小程序。

The remitter clicks the share button within the remittance app, redirected to the browser, then clicks "Open in WeChat" to enter the "TenPay Global remittance " Mini Program.

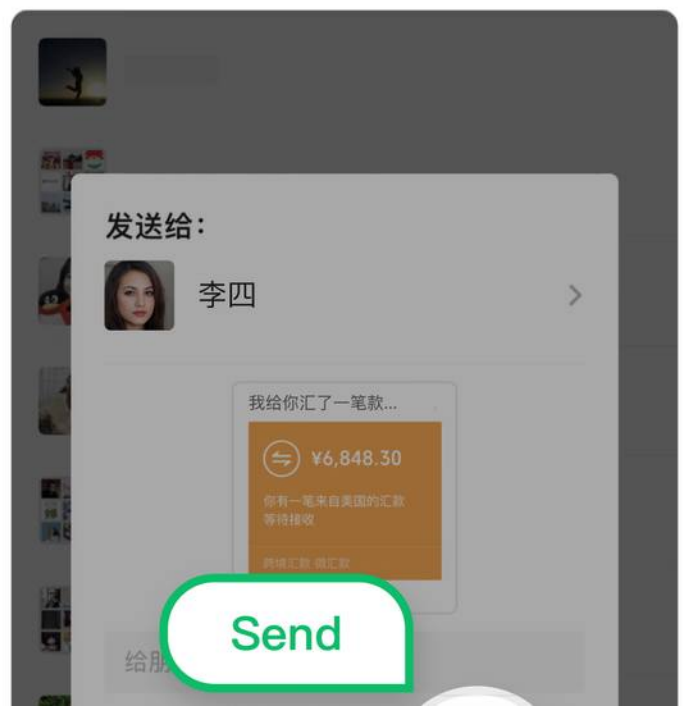

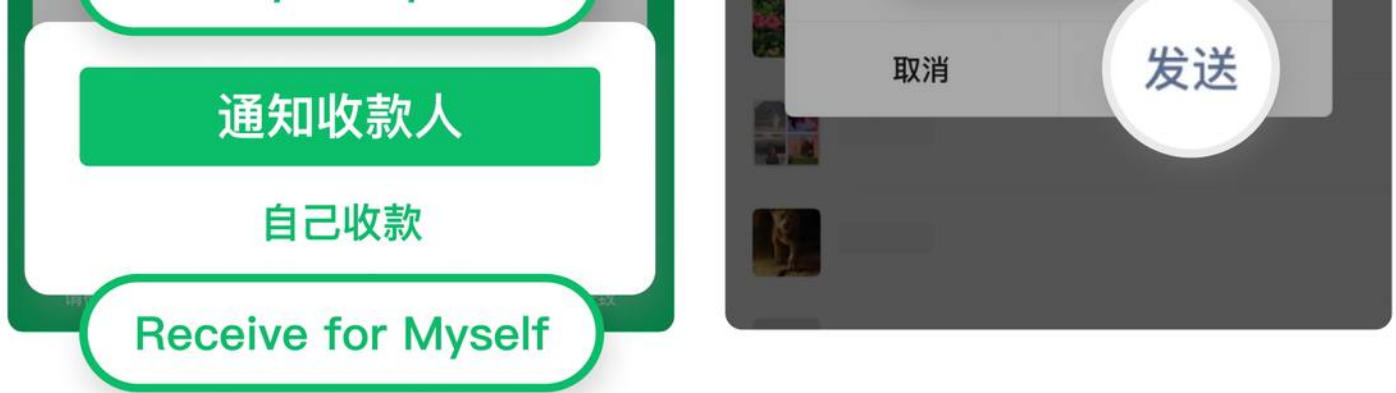

02 微信通知收款人 Notify via WeChat

汇款给他人时点击「通知收款人」，汇款给自己时点击「自己收款」。

When sending to others, click "Notify Recipient".
When sending to yourself, click "Receive for Myself".

The image shows two UI components. On the left, a green-bordered box contains three elements: a green button with the text '通知收款人' (Notify收款人), the text '自己收款' (Receive for myself) in green, and a green pill-shaped button with the text 'Receive for Myself'. On the right, a grey rectangular area shows a '取消' (Cancel) button and a circular '发送' (Send) button, with a small image of a person visible below.
